Intensively Processed Data Collections, 1999–2000

Routinely Processed Data Collections, 1999–2000

Intensively Processed Data Collections, 1999–2000

Data collections in this category have been checked, corrected if necessary, and formatted to ICPSR specifications. Also, the data may have been recoded and reorganized in consultation with the investigator to maximize their utilization and accessibility. A machine-readable codebook has been produced; this codebook fully documents the data and may include descriptive statistics such as frequencies or means. SPSS and SAS data definition statements have been prepared for most of these collections, and some are available in multiple technical formats.

APPENDIX B: TECHNICAL SUPPORT ACTIVITIES

Volume of Data Distributed, 1999–2000

- Table 1: Data Distributed to “Authenticated” Users
- Table 2: Data Distributed to “Anonymous” Users at Member Institutions
- Table 3: Data Distributed to “Anonymous” Users at Nonmember Institutions

Volume of Data Distributed, 1999–2000

There are three data distribution tables in this section summarizing all ICPSR data ordering activity irrespective of the origin of the order.

Table 1 presents authenticated data ordering and related service activities during the fiscal year 1999–2000. This information summarizes all authenticated activities of Official Representative and individual and unit membership ICPSR WWW accounts, requests for special services from Official Representatives and users at member institutions, and requests for special services from academic and nonacademic nonmembers. The information is provided in two separate categories: orders by electronic means (FTP/WWW) and those for all other distribution modes (Removable Media).

As a service, ICPSR also prepares a periodic release CD-ROM which contains all new study releases from the previous quarter. This CD-ROM is routinely sent to all Official Representatives who have elected to participate in the service. During the 1999–2000 fiscal year, nearly 10,000 megabytes were distributed on the periodic CD-ROMs. The statistics in this table do *not* include the information transmitted on the periodic CD-ROMs.

The first two columns in the table carry codes that indicate membership status: “M” indicates a member institution, “MI” indicates an individual membership at a member institution, “MU” indicates a unit membership at a member institution, and “NM” indicates a nonmember. Please note that when a zero appears in the # of Megabytes column in the Removable Media category, it indicates that textual material was supplied.

Staff have identified institutions that cover approximately 81 percent of the volume of downloading activity for publicly available data and documentation on the ICPSR Web site. Tables 2 and 3 summarize this information for members and nonmembers, respectively. Presented somewhat differently from the authenticated information, these tables indicate the number of files and kilobytes downloaded by domains registered to the institutions listed. Some of the domains identify Internet service providers, and staff did not attempt a more detailed identification.

There are several national memberships in ICPSR. In some countries, national memberships cover many of the academic institutions within the country. In others, only designated institutions belong to the membership. Designated institutions are reported as members and all other institutions are reported as nonmembers.

APPENDIX C:
EDUCATIONAL ACTIVITIES

1999 Summer Training Program Courses and Instructors

1999 Summer Program Courses

First Session: June 21–July 16

Lectures

Mathematics for Social Scientists I • Stephen Bringardner, Mathematics, Washtenaw Community College

Mathematics for Social Scientists II • James Dowdy, Mathematics, St. Louis University

Introduction to Computing • Michael Hawthorne, Political Science, University of North Carolina, Pembroke

Workshops

Introduction to Statistics and Data Analysis I • Jack Wilson, Mathematics, University of North Carolina, Asheville

Introduction to Regression Analysis • Sandra Schneider, Government and International Studies, University of South Carolina

Regression Analysis • Timothy McDaniel, School of Science, Buena Vista University

Regression Analysis • Geoffrey Fong, Psychology, University of Waterloo

Multivariate Statistical Methods • Laura Koehly, Educational Measurement and Statistics, University of Iowa

Scaling and Dimensional Analysis • William Jacoby, Government and International Studies, University of South Carolina

Quantitative Historical Analysis • Margo Anderson, History, University of Wisconsin, Milwaukee

Mathematical Models: Game Theory • Kenneth Kollman, Political Science, University of Michigan; and Alastair Smith, Political Science, Yale University

Generalized Linear Models (Maximum Likelihood Estimation) • Charles Franklin, Political Science, University of Wisconsin, Madison

Latent Growth Curve Analysis (May 21–23) • Kenneth Bollen, Sociology, University of North Carolina, Chapel Hill; and Patrick Curran, Psychology, Duke University

Categorical Data Analysis: Introduction to Regression Models for Discrete Outcomes (June 7–11)
• Scott Long, Sociology, Indiana University

Hierarchical Linear Models (July 12–16) • Stephen Raudenbush, Education, University of Michigan; and Aline Sayer, Human Development and Family Studies, Pennsylvania State University

Nonrandom Selection in Aging and Retirement Studies (June 14–18) • Lee Lillard, Economics, University of Michigan

Advanced Categorical Data Analysis: Models for Longitudinal, Multi-Strata, and Multi-Level Designs (June 14–18) • Michael Berbaum, Institute for Social Science Research, University of Alabama; and Rukmalie Jayakody, Human Development and Family Studies, Pennsylvania State University

Multi-City Study of Urban Inequality (June 21–25) • Irene Browne, Sociology, Emory University

Criminal Justice Methodology and Analysis: Women and Crime (June 21–25) • Christopher Dunn, ICPSR, and guest speakers

Social Network Analysis (June 28–July 2) • Stanley Wasserman, Psychology, University of Illinois

Mental Health Research on Evidenced-Based Practice (July 12–16) • Bruce Thyer, Social Work, University of Georgia

Second Session: July 19–August 13

Lectures

Nonlinear Systems: Agent-Based and Computer Intensive Modeling • Kenneth Kollman, Political Science, University of Michigan; Scott Page, Economics, University of Iowa; and Rick Riolo, Complex Systems Center, University of Michigan

Matrix Algebra • Pedro Sanchez, Finance/Computer Information Systems, Eastern Michigan University

Introduction to Computing • Regina Baker, Political Science, University of Michigan

Dynamic and Longitudinal Analysis • Guang Guo, Sociology, University of North Carolina, Chapel Hill (Event History Analysis); and Kai Schnabel, Max-Planck Institute (Panel Analysis)

Workshops

Regression Analysis • Brian Pollins, Political Science, Ohio State University

Time Series Analysis • John Williams, Political Science, Indiana University

Introduction to Statistics and Data Analysis II • Merle Feldbaum, Political Science, University of Michigan

Categorical Data Analysis • Michael Berbaum, Institute for Social Science Research, University of Alabama

“LISREL” Models: General Structural Equations • Douglas Baer, Sociology, Western Ontario University

Mathematical Models: Rational Choice • James Johnson, Political Science, University of Rochester; and Georg Vanberg, Political Science, University of Florida

Simultaneous Equation Models • Pamela Paxton, Sociology, Ohio State University

Advanced Analysis of Variance: Design and Analysis of Experiments • Michael Berbaum, Institute for Social Science Research, University of Alabama

Generalized Linear Models (Advanced Maximum Likelihood Estimation) • Charles Franklin, University of Wisconsin, Madison; Neal Beck, University of California, San Diego; Jonathan Nagler, University of California, Riverside; and Brad Palmquist, Vanderbilt University

Quantitative Analysis of Crime and Criminal Justice • James Lynch, Justice, Law and Society, American University

General Structural Equation (“LISREL”) Models: An Introduction (July 26–30) • Kenneth Bollen, Sociology, University of North Carolina, Chapel Hill

General Structural Equation (“LISREL”) Models: Intermediate Topics (August 2–6) • Kenneth Bollen, Sociology, University of North Carolina, Chapel Hill

Providing Social Science Data Services: Strategies for Design and Operation (August 2–6) • Charles Humphrey, University of Alberta; Diane Geraci, Binghamton University, State University of New York; and James Jacobs, University of California, San Diego

Spatial Data Analysis With Geographic Information Systems (August 9–13) • Luc Anselin, Agricultural and Consumer Economics, University of Illinois, Urbana-Champaign

**Hubert M. Blalock Jr. Memorial Lectures on
Advanced Topics in Social Research**

Statistical Graphics for Univariate and Bivariate Data (June 23–24) • William Jacoby, Department of Government and International Studies, University of South Carolina

Statistical Graphics, Regression Diagnostics, and Nonparametric Regression (July 6–9) • John Fox, Sociology, McMaster University

Resampling Techniques: Bootstrap Methods for Data Analysis (June 28–July 2) • Robert Stine, Wharton School, University of Pennsylvania

Data Visualization; Interactive Cluster Analysis; Data Mining (June 28–July 2) • Werner Stuetzle, Statistics, University of Washington

Bayesian Modeling in the Social Sciences: An Introduction to Markov Chain Monte Carlo (July 26–30)
• Simon Jackman, Political Science, Stanford University

Constitution Inter-university Consortium for Political and Social Research

Preamble

The Inter-university Consortium for Political and Social Research is an organization of member institutions founded at the University of Michigan in 1962. This Constitution and the accompanying Bylaws establish the organizational identity for ICPSR. The Bylaws authorize ICPSR to affiliate for specific purposes with a host institution.

Article I. Name

This organization will be called the Inter-university Consortium for Political and Social Research (ICPSR).

Article II. Purposes

The purposes of the ICPSR are to promote and facilitate research and instruction in the social sciences and related areas, by acquiring, developing, archiving, and disseminating data and documentation for instruction and research; conducting related instructional programs; conducting such other activities as may be authorized in accord with the Bylaws; and obtaining the resources necessary to accomplish these purposes.

Article III. Membership

The eligible membership of ICPSR includes: (1) institutions of higher education, units within institutions of higher education, and federations of educational institutions; and (2) such institutions and organizations as may subsequently be designated in accord with the Bylaws. Categories of membership will be designated in the Bylaws. Services will be provided to members and others in accord with the Bylaws.

Article IV. Governance

Each member will be represented by an Official Representative chosen by the member. Representation arrangements for federations and national memberships will be set forth in the Bylaws. The membership through the Official Representatives will elect a Council to serve as the Executive Committee of the membership, with authority to act on behalf of the member institutions, employ personnel, enter into contracts, and carry out activities to execute the purposes specified in Article II. The composition, election, and organization of the Council will be set forth in the Bylaws.

Article V. Voting Rights

Each member in good standing, as specified in the Bylaws, will have one vote, to be cast by the Official Representative designated by the member.

Article VI. Meetings

The Council will hold regular and special meetings as provided in the Bylaws, but no less than once a year. The Official Representatives will meet at regular intervals as provided in the Bylaws.

Article VII. Dues

The Council will establish annual membership dues, which may vary according to category of membership and be separately negotiated for each federation and national membership. Members must be notified one year in advance of an increase in dues.

Article VIII. Fiscal Policies

Membership dues are to be used exclusively to finance activities and services on behalf of member institutions in accord with the purposes specified in Article II. Under the direction and with the approval of the Council, and congruent with its purposes, ICPSR may charge fees and seek and expend funds in addition to membership dues.

Article IX. Bylaws

ICPSR may adopt Bylaws, consistent with this Constitution, for the conduct of its affairs. Bylaws may be enacted, amended, or repealed: (1) by a two-thirds majority vote of all members of the Council eligible to vote, at a meeting of the Council or in a mail ballot after written notice of at least 30 days; or (2) by a majority vote of the Official Representatives eligible to vote, in a mail ballot after written notice of at least 90 days.

Article X. Amendments

Proposals to amend the Constitution may be initiated by majority vote of the Council or by a petition presented to the Council signed by Official Representatives of at least 25 member institutions. Amendments may be adopted by a two-thirds majority vote of the Official Representatives eligible to vote, in a mail ballot after written notice of at least 90 days.

Article XI. Ratification

This Constitution becomes effective when adopted by a two-thirds majority vote of all members of the Council eligible to vote.

Bylaws

Inter-university Consortium for Political and Social Research

Preamble

These Bylaws are authorized by the Constitution of the ICPSR.

Article I. Membership

1. Conditions of Membership

A. Members will be assigned to categories based upon the member's size, program, and location. If the membership is formally held by a department or other unit, the characteristics of the entire university or organization will be considered in assigning a membership category. Guidelines for membership categories are:

Category A: Educational institutions with doctoral programs in the social sciences or related areas.

Category B: Undergraduate institutions without doctoral programs in the social sciences or related areas and with enrollments of 2,500 or more students.

Category S: Colleges without doctoral programs in the social sciences or related areas and with enrollments of fewer than 2,500 students.

Category C: Institutions in developing countries.

Categories F and N: Federated and national memberships consist of a number of institutions in categories A, B, C, and S that have joined together around a common link to the ICPSR. The common link is responsible for distributing data and documentation from the ICPSR to the other members. Dues are assessed based on the actual configuration of memberships.

B. Not-for-profit research organizations having a clearly defined educational mission may, with approval of the Council, become members of ICPSR and be assigned to a membership category.

C. Internal arrangements bearing upon the sources of financial support for the membership are the responsibility of the member. Each member is responsible for determining the eligibility of its faculty, staff, and students for participation in ICPSR activities.

D. Associate Membership may be requested by other not-for-profit organizations having a clearly defined educational mission. Provision of services and appropriate dues will be set by Council. Associate membership does not carry voting privileges.

E. Membership should be sought only with the expectation that benefits accrue with continuing participation. Short-term memberships are discouraged. Officials of member institutions agree to attempt to provide the necessary dues and local support on a continuing basis.

F. Annual membership dues shall be paid by July 1 or at the beginning of such alternative annual membership cycle as may be agreed upon by individual members and ICPSR. Budgetary inability to meet a single year's membership dues will not necessitate termination of membership provided that the member is willing to make up the deficit across an agreed upon period not to exceed five years.

G. A member may withdraw from membership after one year's written notice mailed to the Executive Director. Except under special circumstances, the ICPSR will require that use of all materials provided by ICPSR, including data and documentation, be discontinued upon termination of membership.

H. A member may rejoin the ICPSR after dropping its membership. Payment of a re-entry fee of 50 percent of the annual dues in effect at the time of rejoining will normally be required. This fee is in addition to membership dues from the date of rejoining.

2. Benefits and Obligations of Membership

A. The ICPSR staff will endeavor to provide equitable services to each member. Given the variety of functions, the limitations on time and space in the performance of some activities, and the variable pace of research activities at member institutions, the goal shall be equality in service over a period of years.

B. Members will not distribute data or other materials supplied by ICPSR to other members, organizations, or individuals at other institutions, without the written agreement of ICPSR.

C. Member institutions agree that data and other materials provided by ICPSR are to be used solely for statistical analysis and reporting of aggregated information, and not for investigation of specific individuals or organizations, except when identification is authorized in writing by ICPSR. Each member institution gives assurance that such uses of statistical data will conform to widely-accepted standards of practice and legal restrictions that are intended to protect the confidentiality of research subjects.

D. Books, articles, conference papers, theses, dissertations, and other publications or reports that employ data or other resources provided by ICPSR should cite both original data collectors and ICPSR as the source, in accord with recommended citation procedures for computer files in the social sciences.

E. Individuals who collect data or develop other research or instructional resources of general interest to the social science community are encouraged to make such resources available to the membership by offering them for deposit with ICPSR.

F. Member institutions, through their Official Representatives, have the right to express concerns and complaints about services to the Executive Director, and if a matter is not satisfactorily resolved to file a grievance with Council. Council will investigate grievances and take such action as may be appropriate.

3. Services for Nonmembers

A. ICPSR data and documentation will be provided to individuals who are not affiliated with a member institution. Such individuals requesting data for their research or instructional use will sign a loan agreement, and submit payment for charges assessed, before data are provided. ICPSR data and documentation may be provided to non-member organizations on a basis negotiated by the organization and the Executive Director and approved by Council. Resources made available by ICPSR to nonmembers shall not be redistributed or sold to other individuals or organizations without the written agreement of ICPSR.

B. Participation in ICPSR training functions or special research conferences supported solely by membership dues will be limited to students, faculty, and staff from member institutions, unless exceptions are authorized by Council or the Executive Director.

C. ICPSR may enter into annual subscription agreements with nonmember institutions, including for-profit institutions, for the purpose of providing access to ICPSR data resources and user support for all staff of the subscribing institution. These agreements will carry annual dues commensurate with dues charged to members, according to a scale established by the ICPSR Council and annually reviewed by the Council. No privileges of membership other than data access and user support will be provided under these agreements, and subscribers are ineligible to participate in the governance of ICPSR.

D. Upon recommendation of the Executive Director and approval of the ICPSR Council, ICPSR may enter into Education Partnerships with private publishers for the purpose of enabling instruction in the social and behavioral sciences. Fees, requirements, and procedures for Education Partners will be determined by the ICPSR Council in consultation with the Executive Director.

Article II. Official Representatives

Each member, including each national membership and each participant in a federation, will be represented by an Official Representative chosen by the member. The Official Representative serves as the liaison between ICPSR and the member and represents the member at meetings of Official Representatives. A member may designate a second Official Representative to aid in the provision of services to the member or membership and to attend meetings of Official Representatives. Special representation arrangements for a national membership or federation may be negotiated by ICPSR Senior Staff and approved by the Council.

Article III. Council

1. Membership

The Council of the ICPSR consists of twelve persons elected by the membership. Six new Council members will be elected every two years to serve four-year terms. The Council will include the past Council Chairperson as an ex-officio nonvoting member.

2. Duties

A. The Council is the Executive Committee of the membership and the governing body of the ICPSR. The Council is authorized to act on behalf of the ICPSR. The Council participates in the definition of organizational objectives and in the determination of policies to achieve those objectives. It is authorized to affiliate with other organizations for the purpose of developing organizational and fiscal arrangements of benefit to the ICPSR and its members. Actions taken on behalf of the ICPSR by ICPSR staff or staff of organizations with which the ICPSR is affiliated are subject to Council review.

B. The Council will establish policies and procedures for approving activities to be carried out on behalf of the ICPSR, such as seeking grants, contracts, and other outside financial support, collaborating or participating in committees and studies, and undertaking a major data collection.

C. The Council will establish policies regulating the participation of individuals in training programs and other activities for which limited resources preclude the simultaneous participation of all who might be interested.

D. The Council will receive an annual report from the Executive Director and Senior Staff. The report will review and project ICPSR activities, revenues, and expenditures for the past year, current year, and coming year. The Council will transmit a summary of this report along with any recommendations it may have to the Official Representatives. The Council may request, and is entitled to receive, any additional information it deems useful concerning the operations and fiscal affairs of the ICPSR.

3. Meetings

The Council will normally hold three regular meetings each year. A special meeting of the Council may be called by the Chairperson, the Executive Director, six members of the Council, or other persons as agreed to by the Council. Seven members of the Council will constitute a quorum for Council action. The Executive Director, Senior Staff of ICPSR, a representative of the host organization with which the ICPSR has affiliated, and invited guests may attend open sessions of Council meetings. The Council may hold closed or executive sessions for specific purposes.

Article IV. Officers of the Council

1. Chairperson

A. The Chairperson of the Council will be elected by the membership (see Article VI). The Chairperson will normally be nominated from among the Council members who will be serving the third year of their term and will serve a two-year term as Chairperson.

B. The Chairperson is responsible for signing documents on behalf of the Council. The Chairperson will act as a liaison between the Executive Director and the Council and as a liaison between the Director of the host organization with which ICPSR is affiliated and the Council. The Chairperson will normally chair meetings of Official Representatives.

C. The Council may appoint an acting Chairperson to serve when the Chairperson is not available to execute duties of the Chair.

2. Other Officers

The Council may designate and appoint other officers to carry out duties of the Council.

Article V. Past Chairperson of the Council

The immediate past Chairperson of the Council will serve as an ex-officio member of the Council for a period of one year.

Article VI. Elections

1. Nomination

A. The Nominating Committee for elections to the Council will be composed of the Council Chairperson serving as chair of the Committee, the other Council members serving in the final half of their terms, and at least two individuals not currently members of the Council designated by the Council Chairperson.

B. The Chairperson, acting on behalf of the Committee, will solicit nominations from Council members, Official Representatives, the ICPSR Executive Director and Senior Staff, and the responsible executive official of the host institution. Nominees must be from member institutions. The Executive Director will gather and present to the nominating committee information on potential candidates. The Nominating Committee will present to the Official Representatives the names of a proposed Chairperson (see Article IV, Section 1) and nominees to the Council, with adequate time to allow additional nominations by Official Representatives in accord with stated procedures determined by the Council.

2. Election

A. Ballots will be mailed to those Official Representatives eligible to vote. Election to each position will be by majority vote among votes properly cast for that position.

B. The Council, by two-thirds vote of its members, may remove a member from Council for cause, such as persistent nonperformance of duties.

C. Vacancies that occur on the Council or in the office of the Council Chairperson between elections will be filled through appointment by the Council.

3. Terms of Office

The newly elected Council members and the newly elected Council Chairperson will assume office at the first regular meeting following the election and will serve until the beginning of the first regular meeting after their successors have been elected.

Article VII. Committees

The Council has the authority to create standing committees. The Chairperson, in consultation with the Council, will make appointments to standing committees. A standing committee will normally include at least one member of the Council. The Chairperson may establish and make appointments to ad hoc committees.

Article VIII. Executive Director and Senior Staff

1. Positions

The chief executive officer of the ICPSR is the Executive Director. The ICPSR staff will consist of such personnel as are necessary for ICPSR to perform the activities required to fulfill its constitutionally defined purposes and meet its obligations to its membership and Council. The Executive Director may designate, with consent of Council, selected managerial, supervisory, and professional personnel as ICPSR Senior Staff. The Executive Director, and the Senior Staff through the Executive Director, are responsible to the Council for the conduct of ICPSR affairs and to the host institution for adherence to its rules and regulations.

2. Evaluation

The Chairperson and other Council members designated by the Council are authorized to participate, along with responsible officials of the host institution, in the evaluation of job performance and recommendations for merit raises and promotion of the Executive Director and the Senior Staff. The Executive Director and the Senior Staff have the right to file job and other grievances with the Council. The Council will receive and investigate such grievances and take such action as may be appropriate within its authority. These provisions do not preclude or preempt use by the Executive Director and Senior Staff of normal grievance procedures of the host institution. Upon request, the Council may participate on behalf of the Executive Director or Senior Staff in grievance proceedings of the host institution in accord with the regulations of the host institution.

3. Access to Council

The Executive Director and Senior Staff, individually and collectively, have the right to bring issues and concerns to the Council Chairperson, the chairperson of a Council committee, or an individual member of Council. If formal Council response or action is requested or required, the matter will be communicated in writing to the Chairperson. The Council may establish investigative and grievance procedures to protect individual rights and assure fair and prompt response.

Article IX. Institutional Affiliations

The ICPSR Council is authorized to adopt one or more Memoranda of Agreement that affiliate the ICPSR with a host institution. A Memorandum of Agreement may designate the host institution to serve as fiscal agent for the ICPSR. All affiliation agreements shall be reviewed by the Council at regular intervals. An affiliation with a host institution may be terminated by the Council in accord with provisions of an operative Memorandum of Agreement.

Memorandum of Agreement Inter-university Consortium for Political and Social Research and Institute for Social Research

Preamble

The Inter-university Consortium for Political and Social Research and the Regents of the University of Michigan, acting on behalf of their Institute for Social Research, enter into an agreement of affiliation to assist the Consortium to fulfill its constitutionally defined purposes and meet its obligations to its membership. This affiliation allows ICPSR to function within the Institute for Social Research, in accord with the terms of this Memorandum.

Definitions

- "The Consortium" means the organization formed by the member institutions comprising the Inter-university Consortium for Political and Social Research through its Constitution and Bylaws.
- "University" means the University of Michigan.
- "ISR" means the Institute for Social Research at the University.
- "ICPSR" means the programs and staff of the Consortium located at the University operating under this Agreement.
- "ICPSR Staff" means employees of the University who are hired or appointed expressly for the activities of ICPSR.
- "ICPSR Management Staff" means ICPSR Staff recommended by the Executive Director and so designated by the Director.
- "Council" means the Council elected by the Consortium as its governing body.
- "Director" means the Director of ISR.
- "Chair" means the Chair of the Council.
- "Executive Director" means the Executive Director of ICPSR.

Section I. Fiscal Relationship

1. Fiscal Agent

The Regents of the University, acting through ISR, will serve as the fiscal agent of the ICPSR. All financial and administrative actions taken by the ICPSR shall be governed by the policies and procedures of the University.

2. Revenues

Revenues shall be attributed to the ICPSR on the same basis as for ISR centers. These revenues may be invested in interest-bearing accounts. The modalities for investing ICPSR funds shall be determined by the appropriate administrative and fiscal officers in accordance with University investment practices.

Membership dues will be handled, within the fiscal regulations of the University, as expendable restricted funds.

Grants and contracts will be handled as expendable restricted or federal funds depending on the source of funds. Federal grants for ICPSR will utilize the University's negotiated indirect cost recovery rate unless ICPSR requests a waiver of some portion of the indirect cost recovery within the approved guidelines of ISR and the University of Michigan. Indirect cost recovery for other grants and contracts must follow the rules and regulations of the University of Michigan, ISR, and the sponsor.

Tuition from students earning University credit for courses commissioned by ICPSR will be credited to ICPSR on the same basis as allowed by the University and ISR for other tuition attributions.

Other types of revenue shall be handled in a manner consistent with University and ISR rules and regulations.

3. Indirect Costs and Assessments

Indirect costs on all ICPSR expenditures shall be assessed according to usual ISR and University procedures. ICPSR is also responsible for contributing to ISR/University expenses. These costs are determined by an annual Institute budget which is reviewed by the ISR Policy Committee and approved by the Director and the ISR Executive Committee.

4. Open Record

The financial records of ICPSR shall be fully open to inspection by the Council or its designee, acting in its role providing oversight of the management of ICPSR on behalf of the membership. The Council will also have access to the public financial records of ISR.

5. Discretionary Funds

ICPSR shall have access to ISR discretionary funds under the normal ISR procedures governing the use of these funds.

6. Required Reserves

ICPSR shall maintain an equity balance equivalent to three months of normal personnel expenditures and projected termination costs. In the event of the closing of ICPSR at the University, all of ICPSR's reserves may be utilized to cover financial obligations incurred by ICPSR. Any remaining funds shall be returned to the Consortium.

7. Annual Budgets

Annual budgets are prepared by the Executive Director in consultation with the Council and approved by ISR for compliance with ISR and University regulations as well as for soundness prior to submission to the Council for approval. Council may approve the budget in part or in the whole. If the budget is not approved in the whole or in part, the Executive Director will prepare another budget to meet the Council's objections. That budget will be reviewed for compliance and soundness by ISR and presented to the Council for approval. If a second budget is not approved by the Council, Council shall be deemed to have given one year's notice of its intent to terminate this agreement. ICPSR will operate during the ensuing year on a budget mutually agreed upon by the Director and the Chair.

8. Agreement with Third Parties

ICPSR and the Executive Director shall not enter into any third-party agreements concerning ICPSR that are inconsistent with the terms of this Memorandum or that require the provision or use of personnel, services, or facilities of ISR or the University without express approval of the appropriate University representative.

Section II. Responsibilities of ISR

1. Administrative Services

ISR will provide administrative and fiscal oversight for ICPSR in the same manner as provided to ISR centers. ICPSR will have administrative and supervisory staff and administrative arrangements to carry out the financial, administrative, and human resource responsibilities of ICPSR. Such staff and arrangements must be acceptable to the Director.

ICPSR will be provided financial reports using the framework of University and ISR financial reports. These are not required by the Consortium to be specifically audited by the University, but the overall University financial reports and accounting are audited annually and the ICPSR financial accounts may be audited by the University at its sole discretion.

2. Space and Other Resources

ISR will provide space, services, and resources to ICPSR using the same policies and procedures as for other units within ISR.

3. Attendance at ICPSR Meetings

The Director or a person designated by the Director is invited to attend the meetings of the ICPSR Council and of the Official Representatives of member institutions. The ISR designee will not be a voting member at such meetings.

Section III. ICPSR Personnel

1. The Executive Director

A. Appointment. Upon selection by the Council, the Executive Director shall be appointed as an employee of the University by the Director for a fixed term not to exceed five years. Reappointment for additional terms is possible.

B. End-of-Term Performance Review. Approximately one year prior to the conclusion of an incumbent Executive Director's term of office, a Performance Review Committee will be established by the Director. The Committee will include two members from the Research Scientists ranks of the ISR appointed by the Director, one member of the ICPSR Management Staff elected by that staff, and two members of the Council appointed by the Chair. The Review Committee will assess the Executive Director's leadership of the ICPSR within the context of its programmatic mission, fiscal environment, and scientific future. The Performance Review Committee will then decide whether the current Executive Director should be reappointed and report their recommendation to the Director. The Director will review the recommendation and forward it, along with his concurrence or dissent, to the Council. Council will then decide whether to mandate a search.

C. Search Committee. If the Council mandates a search for a new Executive Director, or upon the occurrence of a vacancy in the office, a Search Committee will be formed by the Chair. Two members of the committee will be chosen by the ISR Policy Committee, two by the Council, and one by the Management Staff. The Committee will prepare a statement of qualifications for the position. The statement will be reviewed by the Director and the Chair. The Committee will then initiate the search. The mechanics of the search for candidates will be conducted through the Director's office in accordance with University and State of Michigan laws, procedures, and personnel regulations. The Search Committee will receive the names and submitted materials from candidates uncovered in the search and report to the Council and the Director. The report will include the names of two or more nominees recommended for appointment.

D. Appointment Process. In consultation with the Director, Council will select a candidate from among the several nominees. An offer to the selected candidate will be made by the Director. The Director will determine the salary and the kind of appointment to be offered and will conduct all negotiations with candidates. If the selected candidate declines the position, Council, in consultation with the Director, will decide if one among the remaining nominees of the Search Committee is appropriate and the Director will make her/him an offer. Alternatively, Council may ask the Search Committee to produce additional nominations. This process of searching, selecting, and offering will proceed until a candidate accepts the position.

E. Annual Salary Review. A review of the job performance of the Executive Director in meeting the missions and goals of the ICPSR will be carried out by the Director annually. The Director will inform the Chair about the nature of the review and will establish merit increments in salary and other changes in remuneration in accord with ISR and University practices.

F. Interim Appointment. If the position of Executive Director becomes vacant, the Director will appoint an Interim or Acting Executive Director. An interim or acting appointment will be for no more than one year, but such appointments may be extended for up to one additional year with the agreement of the Chair.

2. ICPSR Staff

A. Appointment. ICPSR staff are appointed as members and employees of the University in its ISR. The Executive Director appoints the ICPSR Staff. Appointments are subject to the processes of review and approval by ISR and University personnel officers that are usual for the type of appointment.

B. Performance Evaluation and Remuneration. Evaluation and remuneration of ICPSR staff will be based upon the job performance of these employees in meeting the missions and goals of the ICPSR. For an individual with a joint appointment outside ICPSR, performance in meeting ICPSR responsibilities and performance in meeting responsibilities with one or more other appointments will be reviewed separately and independently. The combined results of these reviews will provide the basis for determining an aggregate performance evaluation and remuneration. The University of Michigan is solely responsible for all personnel decisions regarding ICPSR staff, except as concerns the appointment of the Executive Director, an interim Executive Director, or an acting Executive Director.

Section IV. Authority of the Executive Director and Management Staff

The Executive Director and ICPSR Management Staff are authorized to act on behalf of ISR and the Council in the conduct of ICPSR activities. In so doing, they are subject to normal regulations of ISR and the University and consistent with the Consortium's Constitution and Bylaws. Both the Council and the Director shall be kept fully informed, with the greatest practicable timeliness, with respect to ICPSR activities. ICPSR Management Staff are invited to attend the open sessions of the meetings of the Council. They may contribute to the discussion, help formulate the agenda, and bring issues before the Council.

Section V. Participation in ISR Governance

1. The Executive Director

The Executive Director will serve on the ISR Policy Committee ex officio without vote, unless accorded one by the Committee.

2. Management Staff

Members of the ICPSR Management Staff may vote for or serve as the representative of professional and administrative staff persons on any elective or appointive committees that include professional and administrative staff.

Section VI. Amendment

The terms of this agreement may be amended by concurring majority votes of the ICPSR Council and the ISR Executive Committee. No amendment may be adopted that is inconsistent with or overrides applicable University policy or laws. This agreement may be terminated by mutual agreement, or upon one-year prior written notice by either party.

Section VII. General Provisions

1. Neither the University nor ICPSR shall use the name or trademarks of the other except as necessary to fulfill the purposes of the Agreement or in describing the relationship between the organizations in an objective and factual manner or as otherwise expressly approved by the named party.

2. In the event of a termination of this agreement, the rights to redistribute data granted by data depositors will remain with the Consortium.

3. Fiscal assets and balances remaining after ICPSR obligations are met remain the property of the Consortium. Office and computing equipment and similar property will remain the property of the University.

4. The University shall not be responsible for actions of the Consortium or the Council except to the extent such actions are committed within the scope of employment of any University employee.

5. Reviews of the activities, policies, and functioning of ICPSR may be carried out by ISR in the course of its usual procedures. The Consortium reserves the right to conduct its own programmatic reviews in a fashion of its choosing. ISR will facilitate any such review to the degree practicable.

6. This Agreement shall be governed by the laws of the state of Michigan.
