Dear Friend:

On behalf of the Law Enforcement Assistance Administration (LEAA), U.S. Department of Justice, the Bureau of the Census is conducting its annual census of public juvenile detention and correctional facilities.

There is a continuing need for current information about these facilities to assist LEAA in improving its program of assistance to those concerned with juvenile problems. An advance report from the 1973 census is enclosed and later reports will be sent to you as they become available.

The information in this census is being collected for research and statistical purposes and will be used only to prepare statistical totals from which the identity of specific private persons cannot be determined.

The duplicate copy of the questionnaire is for your files. The addressed copy should be returned, preferably within 30 days, in the enclosed preaddressed envelope.
